CONSENT ORDER

This matter was opened to the New Jersey State Board of Respiratory Care upon the application of Mr. James Jarvis for a license to practice respiratory care in the State of New Jersey. In connection with that application, Mr. Jarvis acknowledged that he had been practicing respiratory care in the State of New Jersey without having first obtained a license, until the present time.

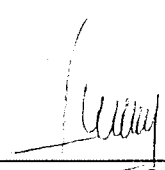

The Board having considered the aforesaid information, and the parties being desirous of resolving this matter without the necessity of further formal proceedings, Mr. Jarvis, having waived any right to a hearing in this matter, and the Board finding that the within Order is adequately protective of the public health and that good cause exists for its entry:

IT IS ON THIS 7th DAY OF September, 1993,

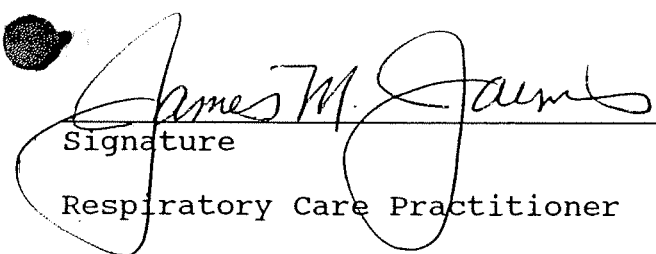

ORDERED that a license to practice respiratory care in the State of New Jersey shall be issued to Mr. Jarvis, with conditions as specified in this Order, and it is further

ORDERED that Mr. Jarvis shall, contemporaneously with the filing of this Order, pay a civil penalty in the amount of \$500.00, by certified check or money order payable to the Treasurer of the State of New Jersey and forwarded to the office of the Board of Respiratory Care.
